**Meetings and Public Education:**

- GMA 12 DFC Planning Meeting (Virtual) September 18, 2020.
- Virtual Water Quality Lecture & Lab for 135 SFA 7<sup>th</sup> grade students September 28-29, 2020.
- Budget/Finance Committee met October 5, 2020 to review draft proposed FY 2021 District Operating Budget and proposed water production fees.
- TWCA Legislative Subcommittee meeting (virtual) to discuss possible draft legislation addressing a “deadline to file a lawsuit against a district” October 6, 2020.
- TWCA Legislative Subcommittee meeting (virtual) to discuss possible draft legislation addressing “notice to affected landowners during the permitting process” October 7, 2020.
- Teacher/school district outreach during September to solidify a virtual platform for all 4<sup>th</sup>, 5<sup>th</sup>, and 7<sup>th</sup> grade students.
- Robertson County Water Field Day has been postponed until possibly May 2021

**General Business:**

- Began measuring static water levels in wells gathering late summer pumping effect data
- District staff continuing to work cooperatively with Brazos County AgriLife planning a virtual Pizza Ranch activity for Spring 2021
- District staff working with our camera to become proficient prior to 2020-2021 school year for virtual connection with school districts replacing in-person instruction temporarily.
- Purchased a one-year Zoom subscription and began setup and use of the virtual meeting space during the COVID-19 shutdown.
- Completed exempt wells in Brazos and Robertson counties were geo-tagged, photographed, and an inspection of surface completion conducted as completion notification occurred (submission of driller's log).

- Mailed all Certificates of Registration to well owners with recently located wells found in the TCEQ archived water well log database.
- Continued work with John Seifert to identify areally and spatially diverse wells within all eight aquifers for “DFC monitoring well” designation.
- Invoiced all “Production Monthly” permit holders for 2019 water production.
- Continued locating wells based of archived well logs housed in the TCEQ database.
- Continued reconciling identified wells with proper aquifer using the virtual bore tool going grid by grid through the entire district.
- Non-exempt permit holders continue to report monthly water production directly to the ArcGIS database.
- ArcGIS map/data program updating of exempt well locations and well data.
- Continued to expand District presence on social media platforms including Twitter and Facebook.

**Upcoming Meetings/Activities:**

- TWCA Legislative Subcommittee meeting (virtual) to discuss possible draft legislation addressing a “petition process for GCD rule making” October 12, 2020.
- GMA 12 DFC Planning Meeting (Virtual) October 22, 2020.
- Region G Water Planning Group Virtual Meeting October 28, 2020.
