

Item 7c | GMA 12 DFC Planning Update | May 2021

Notification of the adoption of the proposed 2021 Desired Future Conditions by GMA 12 representatives was made to each district April 26, 2021 triggering a 90-day public comment period regarding the proposed DFCs in each district. Each district is required to hold one (1) public hearing to receive public comments. BVGCD will hold the public hearing on Thursday, June 10, 2021. Comments will be received through July 26, 2021.

The next GMA 12 meeting will be held June 24, 2021 to begin discussion on 2026 DFCs following up on the topics related to surface water/groundwater DFCs, adopting DFCs with sustainability in mind, and establishing a monitoring well plan for the Colorado River Alluvium deposit. Tentative plans are for GMA 12 to meet in late August 2021 to consider all the comments received during public hearing, determine whether to revise the DFC(s) based on the comments, and receive an update on the explanatory report progress.
