

Item 9 – Consideration of Comments Received on Proposed 2021 DFCs

A Public Hearing for Comments on the Proposed 2021 Desired Future Conditions of all aquifers was conducted at 2:00 p.m. on Thursday, June 10, 2021. Two (2) comments were received at that time. Others were submitted to the District by email. Comments were also made during the last GMA 12 DFC planning meeting directed to all of the districts within the management area.

This agenda item is intended to allow the Board to discuss any comments received and act on the comment(s) if deemed appropriate. Comments will be received through Monday, July 27, 2021.
