General Business:

- Completed exempt wells in Brazos and Robertson counties were geo-tagged, photographed, and an inspection of surface completion conducted as completion notification occurred (submission of driller's log).
- Mailed all Certificates of Registration to well owners with recently located wells found in the TCEQ archived water well log database.
- Invoiced all "Production Monthly" permit holders for 2020 water production.
- Continued locating wells based of archived well logs housed in the TCEQ and TWDB databases.
- Continued reconciling identified wells with proper aquifer using the virtual bore tool going grid by grid through the entire district.

- Non-exempt permit holders continue to report monthly water production directly to the ArcGIS database.
- ArcGIS map/data program updating of exempt well locations and well data.
- Continued to expand District presence on social media platforms including Twitter and Facebook
