

Item 3 – Purchase of New District Work Vehicle

The 2023 District Capital Expenditures Budget includes a line item of \$50,000 for the purchase of a new District work truck. District staff has solicited several dealerships for quotes on a 2023 truck reasonably matching the specifications of the 2012 Chevrolet truck currently owned by the District.

Responses received from the three dealerships:

Allen Samuels – could not find a vehicle to quote

Aggieland Chevrolet – initial response but no follow-up (no quote)

Jim Turner Chevrolet – Quoted the specified truck which is on their lot (\$45,075.46).

They agreed to take an earnest money payment of \$1,000 to secure the purchase of the vehicle following board action on May 11, 2023. Once approved, the earnest money check will be applied to the overall purchase price. The remaining balance will be \$44,075.46. Specifications for the vehicle are attached.

It is the recommendation of the General Manager to purchase the referenced vehicle from Jim Turner Chevrolet – McGregor, Texas.
