Permit No. 20-00-0359, 0360, 0361
BVGCD Well No. 20-00-359, 0360, 0361

APPLICATION FOR DRILLING OR OPERATING PERMIT

One (1) Year _____ Five (5) year

A \$100 fee is due upon submittal of this application for each well requested.

1. Applicant(s) Information:

- (a) If the applicant is more than one individual or entity with different residences, attach a written affidavit executed by each individual and/or entity with an interest or their legal representatives describing their respective interests in the well(s), listing their names and addresses, and designating a contact person.
- (b) If the applicant is a corporation, partnership, retail water supplier or other business association, state its name and address below and attach written documentation that the contact person is authorized to represent the applicant.

Note: If the applicant is different from the owner of the land on which the well(s) is/are to be located, provide documentation from the property owner granting applicable authority for the applicant to drill and/or operate the well.

Name of Applicant: The City of College Station

Email Address: CMO@cstx.gov

Mailing

Address: P.O. Box 9960, College Station, TX 77843

Phone: 979-764-3510 Fax: N/A

Contact Person (if different from applicant): Bryan Woods

Phone: 979-764-3510 Fax: N/A

Relationship to Applicant: City Manager

Mailing Address: P.O. Box 9960, College Station, TX 77843

2. Amount of Water Requested to be produced under This Permit:

(a) Provide the amount of water requested for each well in acre-feet/year.

BV00-0359 Production 1,903 acre-feet/year 3300 gpm
BV00-0360 Production 1,631 acre-feet/year 3300 gpm
BV00-0361 Production 1,531 acre-feet/year 3300 gpm
Production _____ acre-feet/year _____ gpm

See attached Tab 3, Aquifer Evaluation Report.

*Please attach additional sheets as needed

(b) State the nature and purpose of beneficial use of the groundwater under the requested permit and provide any evidence (if available).

PERMITTED (SM) AND 7-10-23
~~The aggregated amount associated with this permit of 5,065 acre-feet per year,~~
AGGREGATED (SM) AND 7-10-23
or 3,140 gpm will be incorporated into the City's existing system for public supply use.

(c) Estimated Date/Year Drilled: To Be Determined (TBD)

Drilling Company: TBD Phone: TBD

Address: TBD City: TBD

State: TBD Zip code: TBD

(d) Identify the aquifer(s) from which the well(s) in this application will produce:

Simsboro: , Carrizo: _____, Calvert Bluff: _____,

Hooper: _____, Gulf Coast: _____, Queen City: _____,

Sparta: _____, Yegua: _____, Brazos River Alluvium _____,

(e) Well Information Well data is TBD until after pilot hole drilling and testing.

Total Depth: Estimated 2,900 Ft. Depth to First Screen: Est. 2,200 Ft.

Inside Diameter of Casing: TBD In. Pump Size: TBD hp

(f) If the place of use of the groundwater is outside the district's boundaries, please indicate here with an "X": _____

(g) Well Location:

Well Site Physical Address: 5100 Bart Road

City: Bryan State: TX Zip: 77807

County: Brazos

Latitude: See Tab 2, Exhibit A Longitude: See Tab 2, Exhibit A

Survey Name*: Francisco Ruiz Survey Survey No*: _____

Abstract No*: 48 (See Tab 4, Property Deed)

Section*: _____ Block*: _____

***Asterisk indicates "if known"**

Pursuant to District Rule 15.1 and Section 36.123, Texas Water Code, staff may enter and inspect the property for District purposes.

3. Attachments to Application

- (a) **For all wells drilled in the Simsboro Formation, provide the landowners name, contact information, and documentation showing clear legal authority, signed by the landowner of the real estate within the required contiguous acreage (per district Rule 7.1(c)), allowing water production from the requested well.** See Tab 2

(b) **Water Conservation Plan (Please check one):**

I have attached a water conservation plan showing what conservation measures I have adopted or will adopt what conservation goals I have established, and what measures and time frames are necessary to achieve my established water conservation goals. See Tab 5

OR

I declare that I will comply with the District's management plan.

(c) **Drought Contingency Plan (Please check one):**

I have attached a drought contingency plan showing what drought conservation measures I have adopted or will adopt, what drought conservation goals I have established, and what measures and time frames are necessary to achieve my established drought contingency goals. See Tab 6

OR

I declare that I will comply with the District's drought contingency plan.

(d) **Well Closure Plan (Please check one):**

I have attached a well closure plan.

OR

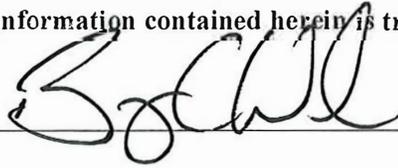

I declare that I will comply with the District's well plugging guidelines and report well closure to the District.

I agree that any water withdrawn under the authority of a permit issued based upon the District's grant of this application will be put to beneficial, non-wasteful use at all times, and will not exceed the production allowance of the permit. I agree that reasonable diligence will be used to protect groundwater quality.

I agree to abide by the terms of the District Rules, the District Management Plan, and orders of the Board of Directors, as required by State law. My certification of this application does not waive my right to protest in the future proposed District actions, including proposed amendments to District Rules. However, once the District adopts Rules, Management Plans, Permits, etc., I agree to abide by those terms, as required by State law.

I hereby certify that the information contained herein is true and correct to the best of my knowledge and belief.

Subject: Legal notice needed

To whom it may concern,
I need to have the attached Legal Notice published once, and proof of publication returned with a tear sheet and publisher's affidavit as proof of publication. It doesn't need to publish on a certain date but it does need to be published as soon as possible, ideally next week.
