

GENERAL MANAGER'S REPORT
From June 12 to July 9, 2020
Presented July 9, 2020

Stats:

- Monthly Management Plan Update (see handout)
- Received for June, 2020
 - a. Exempt Well Registrations – Brazos (13), Robertson (130), O/G (0) **Total – 143**
2020 Totals – Brazos (232), Robertson (261), O/G (0) **Total – 493**
 - b. GM Permit Applications – 0 (0 for 2020)
 - c. 5-year Permit Applications – 1 (1 for 2020)

Requests/Complaints:

June TPIA Requests – 0

Meetings and Public Education:

- Met virtually (Alan) with Texas Alliance of Groundwater Districts committee planning the 2020 Texas Groundwater Summit June 12 & July 2, 2020.

General Business:

- Staff members began collecting static water level measurements (late spring) June 4, 2020 from 162 monitoring wells. 99 measured as of July 2, 2020.
- District purchased a camera for use during the 2020-2021 school year to connect virtually with a school districts replacing in-person instruction temporarily.
- Planning continued (Megan) for virtual and in-person educational training sessions covering “Project Wet” for area school teachers. Sessions are scheduled for June 24 & 25 and July 22 & 23, 2020.
- Plans for the second Water Field Day in Brazos County with Texas A&M University and the City of College Station have been cancelled due to the uncertainty Pecan Trail Intermediate sees with social distancing, masks, etc.
- Purchased a one-year Zoom subscription and began setup and use of the virtual meeting space during the COVID-19 shutdown.
- Completed exempt wells in Brazos and Robertson counties were geo-tagged, photographed, and an inspection of surface completion conducted as completion notification occurred (submission of driller’s log).
- Mailed all Certificates of Registration to well owners with recently located wells found in the TCEQ archived water well log database.
- Continued work with John Seifert to identify areally and spatially diverse wells within all eight aquifers for “DFC monitoring well” designation.
- All fees for 2019 “Permit Annual” and “Production Annual” invoiced water production have been collected.

- Invoiced all “Production Monthly” permit holders for 2019 water production.
- Continued locating wells based of archived well logs housed in the TCEQ database.
- Began reconciling identified wells with proper aquifer using the virtual bore tool going grid by grid through the entire district.
- Non-exempt permit holders continue to report monthly water production directly to the ArcGIS database.
- ArcGIS map/data program updating of exempt well locations and well data.
- Continued to expand District presence on social media platforms including Twitter and Facebook.

Upcoming Meetings/Activities:

- All model aquifer/water quality presentations and labs have been canceled for the remainder of the 2019-2020 school year due to the COVID-19 outbreak
- Project Wet Teacher Training July 22, 2020 (in person) for 6 hours
- Project Wet Teacher Training July 22 & 23, 2020 (virtual) for 3 hours each day
- Teacher/school district outreach throughout July to solidify a virtual platform for all 4th, 5th, and 7th grade students.
- Texas Groundwater Summit (Virtual Conference) September 1-3, 2020.
