

Item 6c | GMA 12 DFC Planning Update | April/May 2022

GMA 12 met Friday, April 22, 2022 to continue discussions related to 2026 DFC Planning (Round 4). Dr. Robert Mace gave a presentation regarding “aquifer sustainability” as it relates to the GMA planning process. GMA 12 members were contacted by TWDB staff concerning clarifications in the explanatory report and the need for declaring the Calvert Bluff aquifer non-relevant in Williamson County. With such short notice from TWDB, GMA 12 representative opted to set a meeting for May 6, 2022 to adopt any revisions to the explanatory report.

GMA 12 members will meet Friday, May 6, 2022 to formally adopt a revision to the explanatory report declaring the Calvert Bluff Aquifer non-relevant in Williamson County for the 2021 Planning Round. Members also were in agreement with correspondence between the consultants and TWDB concerning clarification of several items contained the submitted explanatory report.

The next GMA 12 meeting will be held Friday, June 24, 2022 at 10:00 a.m. in the Post Oak Savannah GCD office.
