RE: Request for Contested Case Hearing; Applications by Mr. James Brien, et al*, for Transport Permits ("Applications"); BVGCD Notice of Public Permit Hearing to be held on June 18, 2024 at the Hearne Elementary School Cafeteria located at 1210 Hackberry Street, Hearne, Texas 77859 at 6:00pm Central Standard Time ("Notice").

Dear Mr. Day and BVGCD Board Members:

This letter is written in response to the Notice regarding the above referenced Applications. Twin Creek Water Supply Corporation (TCWSC) will be adversely affected by the Applications and hereby formally requests a Contested Case Hearing on each of the Applications.

TCWSC operates 4 permitted wells which produce groundwater from the Simsboro aquifer that serves 700 plus connections in southeastern Robertson County, Texas.

The data available has errors in projections of the anticipated drawdown of the aquifer. In just a few short years TCWSC has already seen an accelerated decline of the static level of the aquifer from three feet drop per year to eight feet per year currently.

TCWSC requests a contested case hearing under Rule 14.3.5 of the Rules of the BVGCD. Please let this letter serve as our formal written notice of intent to contest all of the Applications including but not limited to transport Applications for Ely Family Partnership LP, Fazzino Investments LP, RH20 LLC, Clifford A. Skiles III, James C. Brien, L. Wiese Moore LLC and Cula d'Brazos LLC and UW Brazos Valley Farms LLC.

Sincerely,
Twin Creek Water Supply Corporation

*We understand the applications include: Mr. James Brien; Clifford A. (Trey) Skiles III; RH20 LLC; L. Wiese Moore LLC; Cula d'Brazos LLC; Ely Family Partnership LP; Fazzino Investments LP; and co-applicant: UW Brazos Valley Farm LLC (collectively, the "Applicants")
