Meetings and Public Education:

- Attended Post Oak Savannah GCD Groundwater Summit July 18, 2024 in Caldwell, Texas
- Attended (Alan) GMA 12 meeting at Post Oak Savannah GCD Office July 31, 2024
- Attended (Alan) virtual TWCA Reservoir Exemption Subcommittee meeting August 1, 2024

General Business:

- Worked on (Megan) resolving issues with the wireless rain gauge located at Wickson Creek SUD Well #4
- Worked on (Megan) assisting well owners with meters to get certification of meters completed in a timely manner
- District staff in the field identifying wells for mitigation throughout the month of July 2024
- Collection of static water level data from Simsboro wells currently on the mitigation list
- Began collecting Simsboro water level measurements in designated mitigation monitoring wells during to lawn & crop irrigation season
- Continued to obtain base information on additional Simsboro wells identified within the boundaries of Robertson County and added to the existing mitigation list.
- Continued to measure selected Simsboro wells and obtain weekly static water level data from seven (7) recorder wells
- Staff (Alan & John) continued identifying wells within the likely zone to be affected by the UW Brazos Valley Farm, LLC future pumping project obtaining elevation, static water level, well construction information, pump size, and GPS coordinates
- Continued creating, updating, and refining the well mitigation spreadsheet for wells likely

impacted by the UW Brazos Valley Farm, LLC future pumping project (286 Simsboro identified to date)

- Check all registered exempt well files for transfers of ownership creating new certificates and mailing to proper owner
- Continued work identifying, incorporating, and measuring water levels in identified monitoring wells in the Carrizo, Calvert Bluff, Queen City, and Simsboro aquifers
- Completed exempt wells in Brazos and Robertson counties were geo-tagged, photographed, and an inspection of surface completion conducted as completion notification occurred (submission of driller's log)
- Mailed all Certificates of Registration to well owners with recently located wells found in the TCEQ archived water well log database
- Invoiced all "Production Monthly" permit holders for 2023 water production
- Continued locating wells based of archived well logs housed in the TCEQ and TWDB databases
- Non-exempt permit holders continue to report monthly water production directly to the ArcGIS database
- ArcGIS map/data program updating of exempt well locations and well data

Upcoming Meetings/Activities:

- Texas Groundwater Summit in San Antonio, Texas August 19-22, 2024
- Robertson County Water Field Day – September 24, 2024 in Hearne, Texas
- GMA 12 DFC Planning meeting – September 27, 2024 in Milano, Texas
- Brazos County Water Field Day – October 8, 2024 in College Station, Texas
- Continued meeting with the TWCA Legislative subcommittee related to waste, permitting and reservoir exemption legislation
