 - b. GM Permit Applications – 1 (1 for 2016)
 - c. 5-year Permit Applications –7 (7 for 2016)

Requests/Complaints:

FOIA Requests - 2

Meetings and Public Education:

- Model aquifer presentation emphasizing the water cycle, aquifer characteristics, water conservation, and aquifer protection to 65 Neal Elementary 5th grade students January 12, 2016 in Bryan, Texas.
- Model aquifer presentation emphasizing the water cycle, aquifer characteristics, water conservation, and aquifer protection to 80 Sam Houston Elementary 5th grade students January 15, 2016 in Bryan, Texas.
- Attended the TAGD Quarterly Meeting in Austin, Texas January 27-28, 2016.
- Met with the Water Conservation Enhancement Committee to discuss program parameters Wednesday, February 3rd in Bryan, Texas.
- Attended GMA 12 regional planning meeting in Milano, Texas February 4, 2016.
- Model aquifer presentation emphasizing the water cycle, aquifer characteristics, water conservation, and aquifer protection to 70 Navarro Elementary 5th grade students February 8, 2016 in Bryan, Texas.

General Business:

- Billed entities with metered wells based on 2015 water production.
- Non-exempt permit holders continue to report monthly water production directly to the ArcGIS database.
- ArcGIS map/data program updating of exempt well locations and well data.
- Continued to inspect and/or downloaded every driller well log concerning a rig or frac supply well in both Robertson and Brazos counties from the TDLR database. Reconciled the well logs with known wells, locating the physical location of the well via Google Earth, and entering wells into the database.
- Continued training Katelyn Kennedy in all aspects of classroom education, adult education, and field operations.
- Measured water levels in all but 5 of the monitoring wells.

- Continued assembling materials for the 2015 Annual Report.

Upcoming Meetings

- Man a booth at the 2016 BCS Home & Garden Show February 12-14, 2016 at the Brazos County Expo Center.
- Model aquifer presentation emphasizing the water cycle, aquifer characteristics, water conservation, and aquifer protection to South Knoll Elementary 5th grade students February 25, 2016 in College Station, Texas.
- Model aquifer presentation emphasizing the water cycle, aquifer characteristics, water conservation, and aquifer protection to Green's Prairie Elementary 4th grade students March 9-10, 2016 in College Station, Texas.
