

Item 7 – Conservationist of the Year Considerations

The Education/Conservation Committee met August 6, 2018 to consider Conservationist of the Year recommendations. The committee members considered several options and are recommending the following two entities for Groundwater Conservationist of the Year awards:

Pebble Creek Country Club/Golf Course
The Traditions Club at Texas A&M/Golf Course

It is the General Manager's recommendation that the Board approve the Education/Conservation Committee recommendations as recipients of the 2018 "Groundwater Conservationist of the Year" award.
