- Presentation to the Franklin VFW Post on water rights and status of the aquifers held at the FBC, Franklin, Texas September 22, 2015.
- Attended GMA 12 regional planning meeting in Milano, Texas September 24, 2015.
- Attended and taught at the Teacher Water Workshop at the Carter Creek Wastewater Treatment Plant in College Station, Texas on October 3, 2015. 26 teachers attended.
- Participated in the 2015 Pizza Ranch educational event (Brazos County AgriLife) at the Brazos County Expo Center October 7th-8th. 1200 4th grade students attended.

General Business:

- Billed all entities with metered wells based on 2014 water production.
- Non-exempt permit holders continue to report monthly water production directly to the ArcGIS database.
- ArcGIS map/data program updating of exempt well locations and well data.
- Reconciled rig supply wells for Legacy Resources (formerly Anadarko Petroleum wells).

- Continued to inspect and/or downloaded every driller well log concerning a rig or frac supply well in both Robertson and Brazos counties from the TDLR database. Reconciled the well logs with known wells, locating the physical location of the well via Google Earth, and entering wells into the database.
