

Item 7 – 2018 Committee Assignments

Jan Roe, Board President, will make 2018 committee assignments during the February 8, 2018 Regular Board meeting. Please review the 2017 committee assignments listed below. If you have a desire to change committee assignments, please make this known to Jan prior to the board meeting. A Management Plan Committee will need to be established this year in order to incorporate the Modeled Available Groundwater numbers. There are also some items in the current Plan that need to be more succinctly worded.
